

# **GREAT NEWS!**

Have Continual Historical Access to Your Company's Last 30 Days of CONNECT Voice Call Recordings, Video Meetings & Chats for all UNIVERGE BLUE CONNECT licences!

#### WHY YOU SHOULD BE USING IT

Your organization's communication data has a lot of valuable knowledge, intellectual property and insights. With Archiving, you can automatically preserve, search, and retrieve your critical business calls, chats or video meetings for productivity, legal or compliance reasons.

#### With Archiving you can:

- > Easily access information for dispute resolutions
- Leverage historic information for training & coaching, plus knowledge management
- > Enable compliance & satisfy regulatory requirements
- > Support litigation, investigations or eDiscovery needs

## Free 30-day rolling archiving retains communication data for 30 days\*.

For longer retention periods, upgrade to one of our 1-year to 10-year plans.
